Save Small, Dream Big

Dreaming big doesn't mean you need to start with big actions. The first small step is usually the hardest, but once it's taken, you can use that momentum to propel you forward.

Sentry Credit Union has tools to help children fulfill their dreams. With a youth savings account that earns compound interest, young members can deposit small amounts on a regular basis and watch their savings grow "like magic." The earlier they start a savings account, the more it will grow, and the easier it will be to achieve their dreams. Learning this good financial habit at a young age will set them on the path of successful financial well-being. Open a Kirby Kangaroo Youth Club account today.

Help us celebrate National Credit Union Youth Month from April 11 – 15 with:

- A free coloring page included with quarterly newsletter
- A \$5.00 deposit by SCU into a youth member's Kirby account (under 18) when the youth member makes a deposit of any type (excludes payroll deduction or transfers within an account number) during the week of April 11 – 15 (only one deposit per account will qualify)
