Mobile wallet is available for SCU's Mastercard credit card?

YES, your SCU Mastercard® credit card can now join your SCU Visa® debit and credit cards in your mobile wallet!

Pay right from your phone with SCU.

Why is mobile wallet a safer way to pay?

Digital payment with your phone involves a single-use code – so your name, card number and security code stay protected. Use mobile wallet to pay merchants in stores, online and within apps.

Mobile wallet is easy to set up and use:

- ➔ Open the mobile or digital wallet on your device (Apple®, Google™, Samsung®, Garmin® or Fitbit®).
- ➔ Follow the instructions to add your SCU card information.
- ➔ Once it's ready to go, simply swipe your phone over the point-of-sale terminal at any participating merchant.

Add SCU cards to your mobile wallet today and leave your physical cards safe at home!
