New Date

Sentry Credit Union Annual Meeting

Mark your calendars for Wednesday, August 31 at 3:30 PM for SCU's annual membership meeting. Watch our website for more details as the date approaches.

Travel Safely This Summer

Are you planning a trip? Travel safely with these tips from SCU.

- 1. Notify SCU** and your other financial institutions about when and where you will be traveling to ensure your debit and credit card service will not be interrupted.
- When traveling internationally, **check with your cell service provider** regarding international calling, texting, and data plans.
- Before you leave, **share your itinerary** with a few trusted family members or friends.
- Scan or take pictures** of your passport, driver's license, and/or other forms of identification as back-ups in case your ID is lost or stolen.
- Remember to **bring your insurance card** and review your coverage limits before traveling.
- Keep your travel plans as private as possible.** Posting on social media sites can provide criminals the information they need to take advantage of your travel.
- 7. Check in regularly** with your family and/or friends back home so they know you are traveling safely.
- 8. Limit the number of credit and debit cards** you carry, and always keep a back-up card in a safe location.
- 9. Limit how much cash you carry.** If you use an ATM, use one that is associated with a reliable financial institution, as they are less likely to be tampered with.
- 10. Use apps that allow you to track your phone, laptop, and tablet.** If your devices are lost or stolen, these apps will allow you to remotely wipe them or help authorities track them down.
- 11. Limit your use of public Wi-Fi.** When possible, use a virtual private network (VPN) that will allow you to access the internet securely while traveling.

Find Branches from Coast to Coast

SCU has thousands of locations thanks to our national partner network of credit unions.

Shared branches are credit union locations where members can conduct transactions just as they would at their local SCU branch, including services like:

- Make deposits
- Take withdrawals
- Cash checks
- Transfer funds
- Take advances on your Visa® or MasterCard®

Shared branching gives you easy access to your SCU accounts when you travel or move. Many locations offer extended hours.

Check out our locator at sentrycu.org/branches to find your closest shared branch. Be sure to look for the CO-OP Shared Branch logo at a credit union near you!

Term Share Certificate Rates Are On the Rise

Now is always the time to save! Use the power of compound interest to save for your future.

To meet all your savings needs, SCU offers term share certificates with a variety of terms from 6 months to 5 years. With a low minimum balance requirement of \$500 to open a term share certificate, SCU makes saving simple.

As an added bonus, term share certificates that are 24 months or longer enabled members to take advantage of our "Customiser" Coupon*. A "Customiser" Coupon allows you to bump the interest rate on qualifying term share certificates. On top of that, the "Customiser" Coupon allows you to make an additional deposit to that term share certificate. Whichever "Customiser" Coupon option you choose, the original maturity of the term share certificate remains the same.

Check out term share certificate rates today at sentrycu.org/savings-rates, and invest for your future!

*Bump rate and additional deposits must be applied at the same time. Early withdrawal penalties still apply, contact SCU for more details.

Keep Your SCU Credit Card Safe

Reminder: Keep Your Contact Information Up to Date

Safety Information: Debit Card Fraud Alerts

SCU partners with Shazam Inc. to provide our members quality debit card services, including fraud alerts.

Shazam monitors debit card transactions for suspicious activity and may contact you via phone, text or email to verify that activity performed with your card was authorized by you. If you receive a communication from Shazam asking you to verify recent debit card transactions, it's important that you respond promptly to their request using the instructions in the message. You may be unable to use your debit card until the transaction have been verified.

Need Assistance?

As always, if you are unsure if a communication is legitimate, you can reach out to SCU during normal business hours at: **877-368-7928, Option 3**. If you are calling after hours, you may contact Shazam directly at: **800-383-8000**.
