A2A

Account to Account (A2A) transfers make it easy to send money electronically between your SCU account and accounts at other financial institutions. Save on checks, stamps and extra trips to the bank. It's easy, secure and protects your deposits or loan payments from getting lost or stolen in the mail.

You're a Member, Not a Customer

As a Member of Sentry Credit Union, you are part owner of a financial institution that serves you, not a group of stockholders. Sentry associates started the Credit Union in 1935 to save money on their banking needs – and that's the way SCU continues to operate.

Membership

Every Sentry associate is eligible for membership at SCU. Family members of SCU Members are also eligible for membership.

Our "Once a Member, Always a Member" policy means that membership at SCU may be maintained regardless of changes in employment or address.

Benefits of Membership

Being a Member of SCU allows you to take advantage of the money-saving services available to Sentry associates and their family members. Become a Member today and invite your family to join, so they can also receive the benefits of membership.

Not for Profit, But for Service

We are owned by the Members of the Credit Union. That means we are motivated by service, not profit. You benefit by receiving the best rates on loans and attractive rates on deposits. You also benefit by using the cost-saving services provided by SCU.

Mission Statement:
