

HOLD THE PHONE.

I can do *all that* on the mobile app?

Since you already do just about everything from your smart device, we're making it easy to manage your finances from the palm of your hand.

[Learn more](#)

Check out our video tutorials to make the most of your SCU mobile app. You'll learn how to:

- Download the SCU app on your iPhone® or Android™ device
- Set up biometric logins (Touch ID or Face ID)
- Easily transfer funds
- Use mobile deposit
- Set account balance and transaction alerts
