

Sentry Credit Union Paid **\$400,000** to our members!

As a not-for-profit financial cooperative, Sentry Credit Union is owned by our members. Members benefit with better rates, lower fees, and exceptional service.

To thank our member-owners for their business, we paid them \$400,000—\$200,000 for a special bonus dividend to our saving members and \$200,000 for a loan interest rebate to our borrowing members. The bonus dividend and loan interest rebate paid to members was based on dividends paid and loan interest paid from January 1, 2017, through October 31, 2017. (IRA account dividends were excluded due to their tax exempt status.)

Your member-owned Sentry Credit Union had an exceptional year and being a strong, well-capitalized credit union gave us the ability to make this extraordinary bonus dividend and loan interest rebate available. This money was deposited into members' accounts on Wednesday, November 29, 2017—in time for the holidays! (To see your bonus dividend/loan interest rebate*, sign into internet banking and check the history of your share savings account.)

**Thank you for your business...
and remember to keep us in mind
for all of your financial needs!**

*The bonus dividend/loan interest rebate is a taxable dividend and will be reported to the IRS.
